

QUAYS CULTURE PRESENTS  
**SPECTRUM**

## AN EXCITING INTERNATIONAL COLLABORATION

An exciting international collaboration with Quays Culture and Montreal's Quartier des Spectacles **SPECTRUM** created by Montreal based HUB Studio is an interactive installation that invites audiences to talk to the artwork to trigger illumination of the chain of large hoops of light. The idea is to **encourage people to engage with the installation**, to activate lights and sounds that travel from one side of the artwork to the other.

# HIRE SPECTRUM

**SPECTRUM** is managed by our partners **Quartier des Spectacles**.
